

Intergrated air compressor SCI 8

Service intervals:

First Oil-Service 50 hours

- Oil filter cartridge (510774)
- OIL (510815) Schumann 68

(it is important to have the first change very early, because in the first period all the circuit is cleaned and it is easy to have a lot of dirt in the filter clogging it and the risk of low lubrication is high).

Air-Service 500hours/3 month

- Air filter cartridge. (510577)

Minor service 1000 hours/6 month (Code 30/1) in maintenance manual

- Air filter cartridge (510577)
- Oil filter cartridge (510774)
- Oil separator cartridge (510775)
- OIL (510815) Schumann 68

Major Service 8000hours/48 month

- Air filter cartridge (510577)
- Oil filter cartridge (510774)
- Oil separator cartridge (510775)
- Minimum pressure valve (504221)
- Thermostatic valve (504222)
- OIL (510815) Schumann 68

Note change in beginning 2009:

In case you are going to change the separator filter to the new bigger one, you need to replace also the separator nipple with our code (510573)

Length of separator filter

Old=170 mm

New=210mm
